ALL DOBERMAN PUPPIES WHELPED HERE AT OMNIA PARATUS KENNELS ARE SOLD ON AKC LIMITED REGISTRATION.

***We DO offer to change the AKC Limited Registration to Full Registration with all of our Breeding Quality puppies sold. If the following conditions are met:

1.) All Health Clearances have been met, ie... Hips pass with at least a good rating, Eyes pass CERF, Cardio is clear, the dog is NOT CDM Positive Homozygous, and Thyroid is normal.

2.) Dog has achieved at least 1 – Working title; Minimum AKC/UKC/UDC

or DPCA–Obedience CD (or equivalent)/Rally, Schutzhund Sport BH title or other Ring Sport title. Certification in Search and Rescue, Detection work, Therapy/Service Dog, or similar achievement will qualify as a ‘working title’.

We do encourage Schutzhund training and other sports, such as tracking, Search and Rescue, Agility, Obedience/Rally (and of course show ring) because it builds confidence in the puppy/canine and handler team, as well as the entire family. It also builds very strong bonds between the Doberman and his/her family. These dogs are bred to be and meant to be companion and working companions, not Attack Dogs or Junkyard Guard dogs. Remember, your Doberman is a working dog and wants a job. They want to please you. Help them learn what you want and they will amaze you with their unlimited abilities. We will do everything that we can to help you and assist you in achieving your goals with your new puppy/dog. We encourage **Anything** and **Everything** that shows the community a positive look on what selective breeding and genuine care and commitment gives to this incredible breed. Your Doberman has the instinct and ability to naturally protect you, his/her family and home from thefts, robberies or harm. He/She should not be trained to “attack”. If you are looking for a protection dog only, they are out there, but we do not advocate that type of training. We want the world to see the pure beauty in your companion and best friend!
